

Young Artist Application

pianoSonoma is a non-profit arts organization dedicated to providing a unique forum for emerging *Young Artists* to interact with serious, adult musicians through concerts, chamber music rehearsals, classes and community outreach. By helping to educate festival participants in the arts of musicianship and performance, *Young Artists* develop leadership and communication skills, while gaining valuable teaching experience. Through this intersection of musicians and their collaborations in community concerts, we also create new audience awareness and appreciation of classical music.
